Additionally, from the Nation Payment, during the term of this agreement, the State shall annually allocate (i) a sum of three and one-half million dollars (\$3,500,000.00) to the County of Madison and (ii) for a period of nineteen and one-quarter years, a sum of two and one-half million dollars (\$2,500,000.00) to the County of Oneida. Additionally, the State shall distribute the one-time eleven million dollar (\$11,000,000.00) payment received by the State pursuant to Section III(A) to the County of Madison. The Counties' share of all these payments is in full satisfaction of all existing tax liens that they claim as against the Nation and in full satisfaction of tax revenues of any kind that the Counties will not receive from the Nation in the future under the terms of this Agreement or because of the trust status of Nation Land. The Nation shall have no liability to the Counties with respect to distribution of the Nation Payment to them. All disputes concerning the Nation Payment shall be matters to be resolved solely between the Nation and the State pursuant to the dispute resolution provisions of this Agreement. Notwithstanding any other provision of this Agreement, the State shall have the sole and exclusive right to enforce the Nation's payment obligations under Section III of this Agreement.

The Nation shall commence payment of the Nation Payment as to Net Win for the quarter that begins on January 1, 2014, or, if the Effective Date is later than January 1, 2014, then as to so much of the quarter that remains after the Effective Date.

IV. GAMING EXCLUSIVITY

A. Geographic Scope of Exclusivity. Except as provided in Section IV(B) of this Agreement, the Nation shall have total exclusivity with respect to the installation and operation of Casino Gaming and Gaming Devices, by the State or any State authorized entity or person, within the following geographic area: Oneida County, Madison County, Onondaga County, Oswego County, Cayuga County, Cortland County, Chenango County, Otsego County, Herkimer County and Lewis County.

B. Gaming Activities Permitted By Others within Exclusivity Zone. Const., art I, § 9, cl. 1 (such lottery not to include Video Lottery Gaming Devices); and (d) at Vernon Downs, the type, nature and character of Video Lottery Gaming Devices, and pari-mutuel wagering on horse racing, both live and simulcasting, that as of May 15, 2013, have been authorized and now exist at Vernon Downs. The Vernon Downs exception shall permit the holder of the of the video lottery gaming license and its harness racetrack license to be sold or transferred to another entity as authorized by the New York State Gaming Commission, but the Vernon Downs exception shall cease to be applicable if a licensee at Vernon Downs ends its corporate existence, relinquishes its video lottery gaming license or its harness racetrack license, has either license revoked, or voluntarily ceases race meetings, pari-mutuel betting or betting on Video Lottery Gaming Devices, other than for unavoidable reasons such as (but not limited to) acts of God and strikes. Other gaming in the exclusivity zone that is not expressly permitted in this paragraph but that that is unlawful and has not been authorized or consented to by the State, although not a permitted gaming activity under the terms of this Agreement, shall not constitute a breach by the State or the Counties of this Agreement or of its exclusivity terms in Section IV of this Agreement.

C. Gaming Activities By the Nation. The Nation shall continue to engage in Class III Gaming pursuant to the terms of the Nation Compact. To remove any uncertainty regarding the Nation compact, the previous amendments (including as to Instant Multi-Game), or the Nation's entitlement under the Nation compact to adopt games and specifications contained and approved in other tribal gaming compacts in New York (including Gaming Devices), all of the foregoing shall be deemed ratified and approved by the Legislature. The gaming procedures and specifications that are contained in Exhibit H to this Agreement are approved. The Nation and the State shall in good faith endeavor to promptly undertake the ministerial changes necessary to conform the language of such most favored nation amendments to the existing gaming specifications, and also to reflect the gaming procedures and specifications referenced in the preceding sentence in this paragraph. The Nation Compact, its amendments and those amendments specified in Exhibit H to this Agreement shall be deemed ratified by the Legislature upon its approval of this Agreement. Notwithstanding any contrary term of this Agreement, this Agreement does not modify or eliminate the rights and duties of the Nation or the State under the Nation Compact, modify or eliminate any substantive term of the compact, or modify or eliminate the process for dispute resolution as to matters addressed by the Nation Compact.

V. RESOLUTION OF TAX DISPUTES

A. Imposition of Nation Tax on Sales of Goods and Services. As of the Effective Date, the Nation, pursuant to its governmental authority as an Indian nation to impose taxes upon sales of goods and services occurring on Nation Land, shall adopt and implement an ordinance imposing each of the following taxes and pricing standards, and allowing for the following exemptions, with respect to sales of goods and services on Nation Land. Nation Land shall be a “qualified reservation” for purposes of the Tax Law and Section V of this Agreement, which is a “tax agreement” for purposes of Tax Law §§ 284-e(5) and 471-e(5), as amended from time to time.

1. Equal Cigarette and Tobacco Products Taxes. To the extent that the State imposes or otherwise charges taxes on cigarettes and tobacco products possessed, transported, sold or conveyed throughout the State, including but not limited to taxes imposed pursuant to Article 20 of the State Tax Law, the Nation shall impose a Nation tax (“Nation Excise Tax”) on cigarettes and tobacco products possessed, transported, sold or conveyed by any Seller on Nation Land to non-Indian purchasers that shall be no less than the amount of the State taxes on such cigarettes and tobacco products. The State shall notify the Nation of any change in the amount of State taxes on cigarettes and/or tobacco products. If the change results in an increase in the amount of State taxes on cigarettes and/or tobacco products, the Nation Excise Tax shall increase to an amount no less than the corresponding State tax within seven (7) days of such notice or the effective date of the change, whichever is later. If the change results in a decrease in, or elimination of, the State tax on cigarettes and/or tobacco products, the Nation Excise Tax may, at the Nation’s discretion, decrease to an amount no less than the corresponding State tax.

2. Equal Fuel Taxes. To the extent that the State imposes or otherwise charges taxes on motor fuel and highway diesel motor fuel imported, possessed, transported, sold or conveyed throughout the State, including but not limited to taxes imposed pursuant to Articles 12-a and 13-a of the State Tax Law, the Nation shall impose a Nation tax (“Nation Fuel Tax”) on motor fuel and highway diesel motor fuel imported, possessed, transported, sold or conveyed by any Seller on Nation Land to non-Indian purchasers that shall be no less than the amount of the State taxes on such fuels. The State shall notify the Nation of any change in the amount of State taxes on motor fuel and/or highway diesel motor fuel. If the change results in an increase in the amount of State taxes on motor fuel and/or highway diesel motor fuel, the Nation Fuel Tax shall increase to an amount no less than the corresponding State tax within seven (7) days of such notice or the effective date of the change, whichever is later. If the change results in a decrease in, or elimination of, the State tax on motor fuel and/or highway diesel motor fuel, the Nation Fuel Tax may, at the Nation’s discretion, decrease to an amount no less than the corresponding State tax.

3. Equal Sales Tax, Use Tax and Occupancy Tax.

a. To the extent that the State, the Counties, or the cities or school districts located within the Counties, impose, charge or otherwise require collection and remittance of a sales tax, use tax or occupancy tax, including but not limited to any taxes authorized by Articles 28 and 29 of the State Tax Law and any hotel or bed taxes, the Nation shall impose a corresponding sales tax, use tax or occupancy tax (“Nation Sales Tax,” “Nation Use Tax” and “Nation Occupancy Tax”), on the

same terms and subject to the same definitions and exemptions as such State and/or local tax, on the sale of goods, services or occupancy by a seller to non-Indians. The Nation Sales Tax rate, the Nation Use Tax rate and the Nation Occupancy Tax rate shall be no less than the combined State and local sales tax rate, combined State and local use tax rate or combined State and local occupancy tax rate in effect for the jurisdiction in which the Nation Lands where the sales or conveyances occur is located.

b. Upon any future increase in the rate of State sales tax, use tax or occupancy tax, or an increase in the rate of local sales tax, use tax or occupancy tax imposed by the Counties, or the cities or school districts located within the Counties, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax shall increase to an amount no less than the new combined rates of sales tax, use tax or occupancy tax imposed by State, the Counties, or cities or school districts located within the Counties. Upon any future decrease in such rates, or elimination of the State or local sales tax, use tax or occupancy tax, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax may, at the Nation's discretion, decrease to an amount no less than the combined rates of sales tax, use tax or occupancy tax imposed by State, the Counties, or the cities or school districts located within the Counties.

c. Upon any future change in the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, or the cities or school districts located within the Counties that results in additional goods, services or occupancy becoming subject to such taxes, the Nation Sales Tax, Nation Use Tax, or Nation Occupancy Tax, as applicable, shall be amended to conform to the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, and the cities or school districts located within the Counties. Upon a future change in the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, or the cities or school districts located within the Counties that results in a decrease in such base, whether by creating an exemption or otherwise, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax may, at the Nation's discretion, be amended to conform to the base of the sales tax, use tax, or occupancy tax imposed by the State, the Counties, or the cities or school districts located within the Counties.

d. The State shall notify the Nation of a change in the rate or base of the sales taxes, use taxes or occupancy taxes imposed by the State, the Counties or the cities or school districts located within the Counties, to the extent such taxes are administered by the State. The Counties, the cities or the school districts located within the counties, respectively, shall notify the Nation of a change in the rate or base of any sales tax, use tax or occupancy tax, to the extent such taxes are administered by the Counties or such cities and school districts, respectively. If the change results in an increase in rate or in additional goods, services or occupancy becoming subject to such taxes, the Nation Sales Tax, Nation Use Tax or Nation Occupancy Tax shall be amended to conform to such change as provided herein within seven (7) days of such notice or the effective date of the change, whichever is later.

4. Equal Minimum Pricing Standards for Cigarettes. To the extent that the State mandates minimum prices for the possession, transportation, sale or conveyance of cigarettes throughout the State, the Nation shall impose minimum prices ("Nation Minimum Prices") for the possession, transportation, sale or conveyance of those same cigarettes sold by any Seller on Nation

Lands to non-Indian purchasers. The Nation Minimum Prices on these products shall be calculated in the same manner as the corresponding State minimum prices are calculated. For the purpose of establishing the basic cost of cigarettes and the applicable minimum prices of Native American manufactured cigarettes, the minimum price of any cigarettes directly manufactured by the Nation or by another Native American manufacturer shall be calculated in the same manner as the corresponding State minimum prices are calculated. The basic cost of cigarettes directly manufactured by the Nation or by another Native American nation, tribe or individual, for the purposes of establishing applicable minimum prices, shall be 60% of the average manufacturers' list price, before trade or rebates, of the top three brands by market share.

5. Nation Tax Stamp for Cigarettes. The Nation shall affix a Nation cigarette tax stamp on all cigarettes, including cigarettes that the Nation may exclude from the Nation Excise Tax, Nation Sales Tax, Nation Use Tax and Nation Minimum Price requirements under Section V(A)(6) of this Agreement, which shall constitute the Nation's certification that the cigarettes comply with the requirements of this Agreement, including but not limited to the requirements governing imposition of Nation taxes and minimum pricing. The Nation may receive unstamped cigarettes directly from federally licensed manufacturers without going through a New York State licensed cigarette stamping agent.

6. Exemption for Sales to Native Americans. Notwithstanding any other provision of this Agreement, the Nation is authorized to exclude from the Nation Excise Tax, Nation Fuel Tax, Nation Sales Tax, Nation Use Tax, Nation Occupancy Tax and Nation Minimum Price requirements any retail sale on Nation lands, other than sales made via the internet, by the Nation, or by any entity owned directly or indirectly by the Nation, to any Native American or the immediate family of any Native American member living in the same household, provided, however, that any sale of cigarettes bearing the Nation Tax Stamp that occurs on other than Nation Lands shall be subject to State excise taxes pursuant to Article 20 of the State Tax Law unless there is proof that Nation Excise Taxes have been paid. This provision does not prevent a member of a New York Indian nation or tribe from presenting his or her membership card to vendors off-reservation for purchase of goods and services, other than cigarettes, tobacco products, motor fuel and highway diesel motor fuel, exempt from New York taxes as long as the goods and services will be delivered to his or her residence on the reservation.

7. Exemption for Nation-Manufactured Products. The Nation may exclude from the Nation Sales Tax and Nation Use Tax any possession, transportation, sale or conveyance of products, other than cigarettes and tobacco products, manufactured on Nation Lands by the Nation or any entity owned, chartered, incorporated or controlled, directly or indirectly, by the Nation, including but not limited to traditional Native American crafts.

8. Material Tax Law Changes. In the event there is a change to the State Tax Law or any article thereof that materially affects the terms or operation of this Agreement, such as the enactment of new, or the amendment of existing, transaction, sales, excise or similar taxes, and other than a modification of the rate or base of any tax as provided in Section V(A)(1)-(3) of this Agreement, the State and the Nation shall modify this Agreement accordingly.

9. Master Settlement Agreement. The Nation shall report to the State, on forms substantially similar to those contained in Exhibit J, its purchases of all cigarettes for the express and limited purpose of ensuring appropriate third-party compliance with the requirements of the Master Settlement Agreement, as amended and interpreted.

B. Use of Nation Excise, Sales, Use and Occupancy Tax Revenues. The Nation shall use revenues from the Nation Excise Tax, Nation Fuel Tax, Nation Sales Tax, Nation Use Tax and Nation Occupancy Tax exclusively for the provision of the same types of governmental programs and services, and to the discharge by the Nation of the same types of governmental obligations, for which state or local governments use revenues from their tax collections. The Nation shall retain exclusive discretion in determining the specific types of governmental programs and services for which revenues shall be expended. Nothing in this Agreement shall affect any obligation of the State or any other government to provide programs and services required under any treaty or law, or to discriminate or to permit any discrimination against the Nation or its members with respect to such obligations.

C. Assurances.

1. The State and the Counties shall undertake reasonable efforts to fulfill their obligations and restrictions under this section.

2. The collection of the Nation Excise Tax, Nation Fuel Tax, Nation Sales Tax or Nation Use Tax pursuant to this Agreement shall be in full satisfaction of any taxes on the sales or provision of goods and services on Nation Land. The State and the Counties shall not take any action to collect unpaid sales or use taxes on the sale of goods or services, other than motor fuel or highway diesel motor fuel sold to a carrier subject to article 21-a of the State Tax Law, that are subject to Nation Fuel Tax, Nation Sales Tax or Nation Use Tax pursuant to this Agreement. The State and the Counties shall not take any action to collect unpaid state excise taxes on the sale of cigarettes and tobacco products for which Nation Excise Tax has been paid.

3. The State and the Counties shall not take any action to impose any direct or indirect tax, assessment, charge or fee on any gaming facility or gaming-related activity conducted by the Nation, except as provided in this Agreement and in the Nation Compact.

4. The Nation shall contract for an independent third party acceptable to the State to assess and report to the State regarding the Nation's compliance with the tax provisions of this Agreement within six months of the effective date of the Agreement and once per year thereafter. If such a report indicates that the Nation, or any entity owned directly or indirectly by the Nation, has substantially failed to comply with the provisions of Sections V(A)(1), V(A)(4), V(A)(5) and/or V(A)(6) of this Agreement, then such provisions shall be void and Articles 20 and 20-A of the State Tax Law shall apply to all sales of cigarettes on Nation lands that occur more than seven (7) days after the State has notified the Nation of such finding of substantial failure to comply, provided, however, that where such report indicates that such substantial failure to comply is solely attributable to the conduct of one or more individuals acting independently on Nation lands, the Nation shall be afforded thirty (30) days to

cure such non-compliance after the State has notified the Nation of such finding of substantial failure to comply.

5. For purposes of the State Alcoholic Beverage Control Law, the State shall deem the Nation to be operating with a certificate of authority, as provided in article 28 of the State Tax Law, when it is collecting Nation Sales Tax and Nation Use Tax as required by this Agreement.

D. Most Favored Nation. In the event the State enters into an agreement with any other Indian nation or tribe relating to any importation, possession, transportation, purchase, sale or conveyance of any cigarettes, tobacco products, motor fuel or highway diesel motor fuel among or between any other Indian nation(s) (Other Relevant Agreement), the following provisions shall apply:

1. The State shall provide a copy of the Other Relevant Agreement to the Nation within five (5) days after its execution.

2. The Nation may, at its option and upon notice to the State, adopt the provision of the Other Relevant Agreement relating to any importation, possession, transportation, purchase, sale or conveyance of any cigarettes, tobacco products, motor fuel or highway diesel motor fuel among or between any other Indian nation(s).

3. As of the date of notice from the Nation to the State, the provision adopted pursuant to this Section shall be incorporated into this Agreement, and shall amend or replace any existing provision of this Agreement relating to any importation, possession, transportation, purchase, sale or conveyance of cigarettes, tobacco products, motor fuel or highway diesel motor fuel among or between any other Indian nation(s).

E. Nation Land Not Taxable.

1. Without regard to whether land has been (or has not been) and is now (or is not now) exempt from property taxation or otherwise non-taxable, Nation Land shall be non-taxable, and the Nation shall not be liable to the State or any municipal subdivision of the State for any past, present or future property tax payment with regard to Nation Land, and no bill for such tax shall be issued, all of the foregoing subject to the limitation (Cap) in Section VI(B)(4) on the designation of Reacquired Land to 25,370 acres. For the avoidance of any doubt, Reacquired Land that is in excess of the Cap defined in Section VI(B)(4) shall be subject to State and local taxation.

2. The Nation shall not assert or seek any other state property tax exemption for Reacquired Land exceeding the Cap in Section VI(B)(4) on the designation of Reacquired Land to 25,370 acres, except with respect to Nation Land that is listed on tax assessment rolls as exempt on the Effective Date. The parcels of Nation Land so listed on tax assessment rolls are in Madison County and are identified as follows: tax parcel identification number 75.-1-4.15 (2.80 acres) (695-cemetery), and tax parcel identification number 75.-1-4.16 (5.69 acres) (695-cemetery). The Nation reserves and asserts federal immunity to property taxation and all other rights under federal law with regard to the 32 acre *Boylan* tract, the 104-acre *Marble Hill* tract, and also to lands held in trust by the United States for the

Nation's benefit under 40 U.S.C. § 523 or, as to Reacquired Land held in trust, within the Cap provided in Section VI(B)(4) of this Agreement.

3. Any tax lien or tax sale based upon any failure of the Nation to pay any property tax, penalty, interest or assessment that has been asserted against the Nation or Nation land shall be withdrawn or terminated, and shall be deemed void *ab initio*. The State and Counties hereby release and waive all claims for payment of any such property tax, penalty, interest or assessment.

4. As to any judicial or administrative proceeding, the State and Counties hereby release any claim that the Reservation was disestablished.

5. The State hereby stipulates that the Reservation was not disestablished and that the Reservation is reservation land for purposes of state and federal statutes.

6. Notwithstanding Sections V(E)(1) and V(E)(4) of this Agreement, the Nation shall make to the Counties a payment in an amount equal to the amount of property tax that would be due from any non-Indian owner with respect to any parcel of Reacquired Land within the Cap provided in Section VI(B)(4) of this Agreement that is acquired by the Nation after the Effective Date of this Agreement and until such time as the particular land is transferred to the United States in trust for the Nation. With respect to Nation Land, the Nation's payment shall be based on the assessed value of the parcel prior to the transaction in which it was acquired by the Nation.

F. Compliance with Agreement Deemed Compliance with Applicable State Law. The Nation's compliance with the terms of this Agreement shall be deemed in compliance with State law related to the payment and collection of taxes. No state agency or licensing entity, including but not limited to the State Liquor Authority, shall deny a license or fail to give an approval on the ground that gaming on Nation land or under the Oneida Nation gaming compact may be unlawful or on any ground related to the payment or collection of taxes in conformity with this Agreement.

Salazar*, No. 08-cv-644-LEK (N.D.N.Y.), with prejudice. This Agreement shall be submitted to the United States District Court for the Northern District of New York for the issuance by that Court of an order incorporating the terms of this Agreement, approving the

same and retaining jurisdiction to enforce any violations hereof, or disputes hereunder, that are not subject to arbitration under a provision of this Agreement.

b. The State and Counties will not directly or indirectly fund any challenge to the Secretary of the Interior's May 20, 2008 decision to accept Nation Land into trust pursuant to 25 U.S.C. § 465, to any supplemental decision on any matter remanded by a court in connection with any challenge to that decision, or to any challenge to a transfer of excess land pursuant to 40 U.S.C. § 523.

2. Federal Tax Foreclosure Litigation.

a. By no later than seven (7) days after the Effective Date, the Counties shall withdraw the petition for a writ of certiorari that they filed in the United States Supreme Court in *Madison and Oneida Counties v. Oneida Indian Nation*, No. 12-604. By that same date and in that same case, the State shall withdraw the amicus brief that it filed on behalf of the Counties.

b. The Counties shall stipulate to the entry of final judgments in *Oneida Indian Nation v. Madison County*, No. 00-cv-506 (N.D.N.Y.), and *Oneida Indian Nation v. Oneida County*, No. 05-cv-945 (N.D.N.Y.) in substantially the form of Exhibits C and D.

3. State Tax Litigation.

a. Madison County shall file a stipulation of dismissal in the pending in rem action seeking to foreclose on Nation Land, *In the Matter of Foreclosure of Tax Liens by Action In Rem Pursuant to Article 11 of the Real Property Tax Law by Madison County*, Index No. 03-999 (Madison County Supreme Court).

b. Oneida County and Madison County shall take all steps necessary to undo all acts taken to foreclose on Nation Land or to enforce property taxation with respect to such land.

c. Madison County and Oneida County shall not file any further action to foreclose on Nation Land or take any administrative or other step or action to enforce property taxation with respect to such land; provided, however, that Madison County and Oneida County shall have the right to file an action to foreclose upon those lands covered in Section V(E)(6) of this Agreement for which the Nation fails to make the payments in the amounts permitted and required by that Section.

d. The Counties shall stipulate to the dismissal of the hybrid tax grievance/declaratory judgment actions regarding state statutory property tax exemptions and other issues that were filed by the Nation in Madison and Oneida Counties, respectively, in substantially the form of Exhibits E and F. The State and Counties will not assist or fund, directly or indirectly, any further litigation of the hybrid tax grievance/declaratory judgment actions.

4. Litigation against State Comptroller, Madison County Attorney and Law Firms.

As of the Effective Date of this Agreement, the Nation shall discontinue directly or indirectly funding any aspect of the litigation entitled *Mahler and Garrow v. Campanie, the Kiley Law*

Firm PC, Campanie & Wayland Smith, PLLC and Thomas P. DiNapoli, Comptroller of the State of New York (Supreme Court, Albany County, index number 2502-11, on appeal to the Appellate Division, Third Department), and the Nation shall use its best efforts to encourage the plaintiffs to discontinue that action.

B. Future Trust Applications.

1. The Nation, at its option, may submit an application to the United States Department of the Interior requesting that the Department accept the transfer into trust status of some or all of the approximately 4,000 acres of existing Nation Land that was not accepted in the May 20, 2008 Record of Decision for a transfer to the United States to be held in trust (see Exhibit A). The State and Counties represent and warrant that they support the Nation's application for transfer of such land to the United States to be held in trust and release and waive any right they may have to administratively or judicially oppose or challenge the transfer into trust of any such land on any grounds.

2. If the Nation acquires additional Nation Land, subject to the Cap limitation in Section VI(B)(4) of this Agreement, the State and Counties shall not oppose, in any administrative or judicial proceeding or otherwise, the Nation's application to place the land in trust pursuant to 25 U.S.C. § 465, and they release and waive any right they may have to administratively or judicially oppose or challenge the transfer into trust of any such land on any grounds. Further, the State and Counties shall not oppose any transfer of excess federal land within the Reservation to the Department of the Interior to be held in trust for the Nation pursuant to 40 U.S.C. § 523.

3. The State and Counties shall not assist or fund, directly or indirectly, any administrative or judicial opposition or challenge to the Nation's application to transfer Nation Land, subject to the Cap limitation in Section VI(B)(4) of this Agreement, into trust pursuant to 25 U.S.C. § 465, or to any transfer of excess federal land within the Reservation to the Department of the Interior to be held in trust pursuant to 40 U.S.C. § 523.

4. The Nation shall not designate more than 25,370 acres of Reacquired Land as Nation Land, of which: (i) 13,004 acres shall be the existing land owned by the Nation that was accepted to be held in trust by the United States under the May 20, 2008 Record of Decision of the U.S. Department of Interior, (ii) 4,366 acres shall be the existing land owned by the Nation and for which the Nation applied for trust status on April 4, 2005, but which was not accepted into trust under the May 20, 2008 Record of Decision (see Exhibit A), and (iii) up to 7,000 additional acres shall be in Oneida County and up to 1,000 additional acres shall be in Madison County.

5. For the avoidance of any doubt, the Nation shall not submit an application to have Reacquired Lands taken into trust, above the 25,370 acres specified in Section VI(B)(4).

C. Governmental Coordination.

1. The Nation shall not assert sovereignty with respect to any land other than Nation Land.

2. If any federal law provides for consultation with the Nation concerning any federally-assisted project in Madison County or Oneida County, and if the Nation exercises its consultation right, then the Nation shall give notice to the Secretary of State of New York, and the Secretary of State or his or her designee, in such consultation, shall represent the County or Counties involved in the consultation if so requested by the involved County or County. If a County requests such representation in a consultation by the Secretary of State or his or her designee, the Nation hereby consents to that representation.

3. To enhance public safety and to improve the coordination of police services, Oneida County shall enter into a deputization agreement with the Oneida Nation Police in substantially the form of Exhibit G.

4. As to all Reacquired Land that is within the Cap defined in Section VI(B)(4) of this Agreement and is not held in trust by the United States for the benefit of the Nation, the Nation shall adopt, in lieu of the laws and regulations generally applicable to non-Nation properties, ordinances that meet or exceed standards that otherwise may govern land use, building codes, zoning, health, safety and environmental matters, and weights and measures. Any land uses and improvements existing on those lands as of the Effective Date may continue and shall be deemed to be conforming uses under any zoning or other land use statutes, regulations, codes or other administrative requirements. On reasonable notice, the Counties may coordinate with the Nation site visits and testing as reasonably needed to assure that the Nation has fulfilled its meet-or-exceed obligation under this paragraph of this Agreement. For the avoidance of any doubt, Reacquired Land that is in excess of the Cap defined in Section VI(B)(4) shall be subject to State and local regulation.

5. In the event of any dispute over whether the Nation is meeting any relevant standard, the County(s) shall notify the Nation in writing, alleging with specificity the nature of the alleged violation and proposed corrective action or remedy. The Nation and the State or the County in which the property is located will inspect the disputed use or facility and consult, within fourteen (14) days of notice receipt, to attempt to resolve the concern and provide an opportunity to implement any agreed upon corrective action. Notwithstanding any other dispute resolution process specified in this Agreement, but without altering any right, duty or dispute resolution process specified in the Nation Compact with respect to matters addressed by the compact, any and all disputes arising under this section that remain after consultation shall be resolved by binding arbitration as follows. If the Nation and the State are able to select a full panel consisting of three members, then the arbitration shall be by a Standards Review Panel, with the State selecting one member, the Nation selecting another member, and those two members selecting a third member, whose fees and expenses are to be shared equally by the State and the Nation so long as they are reasonable and proportionate to the size and complexity of the dispute presented. The Standards Review Panel will arbitrate the dispute according to a reasonable process and timetable to be established by the panel and shall issue a decision resolving the dispute, with costs and attorneys' fees to the prevailing party. The decision or award of the Standards Review Panel may be enforced by the United States District Court for the Northern District of New York, which retains jurisdiction to enforce such decisions or awards. Notwithstanding the foregoing, if there is an impasse in the selection of third panel member because the two members chosen by the State and the

Nation are unable to agree on a third member, then the dispute shall be arbitrated under the Expedited Procedures provision of the AAA Commercial Arbitration Rules. In any AAA arbitration, the Nation shall select one arbitrator, the State shall select another arbitrator, and those two arbitrators shall select the third arbitrator. The prevailing party shall be entitled to an award of attorneys' fees and costs. Arbitration awards under this section shall be enforced in the United States District Court of for the Northern District of New York, which retains jurisdiction over this agreement and over its enforcement.

6. Except as may be expressly provided in Section IV(C) of this Agreement, nothing in this section or in any other section of this Agreement replaces, modifies or repeals any provision in the Nation Compact or in any other agreement governing the Nation's gaming facilities and related enterprises and the regulations or standards that govern the operation of those facilities or related enterprises. Where there is any conflict or difference between those other agreements and this Agreement, the other agreements control.

7. The Nation shall support any referendum authorized by the State Legislature following second passage of a concurrent resolution to amend the State Constitution to permit or authorize casino gaming. Additionally, the Nation shall not directly or indirectly fund any public education campaign or program opposing any such referendum, or fund directly or indirectly any litigation or administrative challenge in connection with any such referendum.

VII. ENFORCEMENT

A. Limited Waivers of Sovereign Immunity. The Nation and State hereby irrevocably waive all immunity from suit, including tribal sovereignty immunity and eleventh amendment immunity, for the limited purpose of, and consent to, enforcement of the terms of this Agreement according to its terms by arbitration or before the Northern District of New York having jurisdiction to enforce the settlement in *State of New York v. Salazar*, No. 08-cv-644.

B. Notification of Disputes. If the State, one of the Counties or the Nation believes a Party has violated this Agreement by not fulfilling a duty that is owed to it and that it has a right to enforce, then it shall notify that party in writing. The notice shall state the nature of the alleged violation and any proposed corrective action or remedy. The notifying party and the party receiving notice shall meet initially within fourteen (14) calendar days of receipt of the notice, unless a different date is agreed to by both parties, to attempt to resolve between themselves the issues raised by the notice of possible violation and to provide the opportunity to implement any agreed upon corrective action. Thereafter, the parties shall meet at least two further times within the next twenty-one (21) calendar days to continue good faith consultation. If the parties are unable to reach agreement, they shall within the next fourteen (14) calendar days select a mutually agreeable mediator, the cost of the mediator to be shared equally by each interested party, and shall participate in a mediation to be concluded within thirty (30) days of the selection of the mediator. If within the fourteen (14) calendar days provided for selection of a mediator the parties are unable to agree on the selection of a mediator, then any party immediately may pursue the other dispute resolution processes as permitted by this Agreement. If a mediator is chosen but mediation is unsuccessful as of the thirtieth (30th) day, or if at any point the

parties agree in writing that mediation will not be successful, then the parties immediately may pursue other dispute resolution processes as may be permitted by this Agreement. The foregoing notwithstanding, a party confronted with irreparable harm may immediately pursue those other dispute resolution processes.

C. Arbitration of Disputes. Subject to the other provisions of this agreement, in particular those providing only for judicial enforcement with respect to a Material Breach, the Parties must arbitrate any disputes concerning an alleged breach of this agreement that, if proved, would not be a Material Breach. Such binding arbitration shall be pursuant to the AAA Commercial Arbitration Rules. A three-person arbitration panel shall be chosen as provided in Section VI(C)(5) of this Agreement. A substantially prevailing party shall be entitled to an award of attorneys' fees and costs. Any award produced by the arbitration may be enforced in the United States District Court for the Northern District of New York, which retains jurisdiction for the purposes of enforcing this Agreement and arbitration awards authorized by it.

D. Consequences of Material Breach. Disputes concerning allegations of a Material Breach shall be resolved exclusively by the United States District Court for the Northern District of New York, which shall retain jurisdiction for such purpose but after a mediation according to the provisions of Section VII(B) of this Agreement. A prevailing party shall be entitled to an award of attorneys' fees and costs. In the event of an allegation of Material Breach, the affected party shall notify the allegedly breaching party in writing of the material breach.

E. Judicial Enforcement. The United States District Court for the Northern District of New York will reserve and retain jurisdiction, exclusive of any other court, to enforce this Agreement according to its terms, to adjudicate any challenges by a party or by third parties to the enforceability of this Agreement, to compel arbitration of disputes according to the terms of this Agreement, or to confirm any arbitral award. The stipulation of dismissal that is Exhibit B to this Agreement will so provide and will provide that this Agreement is to be incorporated into the judgment of dismissal to be entered upon the stipulation. The parties hereby agree and stipulate that a showing of a material breach of this Agreement shall also be a sufficient showing of irreparable harm to justify injunctive or other equitable relief in any action to enforce this Agreement. Each party to this Agreement waives and releases any claim or defense that any term of this Agreement is not enforceable and, by seeking judicial approval of this Agreement, acknowledges that it is estopped to challenge the enforceability of any of its provisions.

VIII. IMPLEMENTATION

A. Authority. The officials executing this Agreement on behalf of the State, the Counties and the Nation, respectively, warrant that they have been authorized to so execute and that they have the lawful authority to do so, subject to the approval of the State Legislature, the County Legislatures, the Oneida Nation Council and, where applicable, the New York Attorney General and, if applicable, the U.S. Department of Interior. Each party is relying on said representation in entering into this Agreement.

B. Legislation. The State will enact legislation approving this Agreement and its exhibits and containing any terms necessary for the State and Counties to carry out their undertakings in this Agreement.

C. Sequence of Implementation. First, the parties' representatives will execute this Agreement. Second, the Agreement shall be submitted to the Counties' Legislatures for approval and the Nation's Council will approve this Agreement. Third, the Agreement shall be submitted to the State Legislature for approval. Fourth, the Parties, and the New York Attorney General and the Federal Defendants in the federal trust litigation, *State v. Salazar*, No. 08-cv-644 (LEK), will submit for approval the stipulation in substantially the form of Exhibit B to this Agreement. As previously provided in this Agreement, the Effective Date of this Agreement is the date of the federal court's entry of an order approving this Agreement. Upon the Effective Date, the parties' obligations to make payments, file other stipulations, and take other actions are triggered as previously provided in this Agreement.

D. Cooperation. The parties shall work together in good faith to fulfill their commitments to each other under this Agreement, including adoption of necessary laws and regulations, seeking any approval of the United States Department of the Interior that may be required, and opposing any efforts to change, undermine, or invalidate any provision of this Agreement, including initiating or intervening in litigation. Nothing in this Agreement limits the State, the Counties or the Nation from engaging in intergovernmental cooperation with respect to financial or other matters not covered in this Agreement. Nothing is intended to limit or preclude further voluntary or mutual agreements regarding funding, grants or any other matter involving money that might benefit and promote the good of both the Nation and the State and Counties. Without limiting the effect of any substantive provision of this Agreement, nothing herein is or shall be construed to be an admission by any party with respect to any fact or legal issue in litigation.

E. Notices and Communications. Notice required by or related to this Agreement will be made in writing and served by overnight courier or certified mail, return receipt requested. If notice is to be given by the Nation to the Counties, it shall be to the County Executive and to the County Attorney of the relevant County or Counties, and if to the State it shall be to the Governor and the Attorney General, both individually at State Capitol, Albany, New York 12224. A copy shall also be filed concurrently with the Counsel to the Governor, State Capitol, Room 210, Albany, New York 12224. If notice is to be given by the State or Counties, it shall be to the Oneida Indian Nation Representative and the Oneida Nation Legal Department, both located at 5218 Patrick Road, Verona, New York 13478, or to such other address as may be designated by the Nation.

F. Inadmissibility. Any statements made during the course of the settlement negotiations in this matter will not be admissible in any action or proceeding and are strictly confidential.

G. No Precedent. The parties agree that no provision of this settlement shall be interpreted to be an acknowledgment of the validity of any of the allegations or claims that have been made in any litigation covered by this agreement. This settlement does not constitute a determination of, or admission by any party to any underlying allegations, facts or merits of their respective positions.

The settlement of the litigation covered by this agreement is limited to the circumstances in those actions alone and shall not be given effect beyond the specific provisions stipulated to. This settlement does not form and shall not be claimed as any precedent for, or an agreement by the parties to any generally applicable policy or procedure in the future.

H. Entire Agreement. This is a fully integrated agreement that supersedes all prior discussions and negotiations concerning it. The parties may modify this Agreement, but only by a written agreement executed by the party to be charged.

I. Non-Severability. If any material term, provision, representation, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable or is otherwise finally determined to be beyond the authority of any signatory hereto, then this Agreement shall be null and void in its entirety, with each party being returned to the position it held before the effective date.

ONEIDA INDIAN NATION,

Plaintiff,

Case No.

5:00-cv-506 (DNH/GJD)

v.

MADISON COUNTY, NEW YORK,

Defendant.

- Jury Verdict.** This action came before the Court for trial by jury. The issues have been tried and the jury has rendered its verdict.
- Decision by Court.** This action came to trial or hearing before the Court. The issues have been tried or heard and a decision has been rendered.

IT IS ORDERED AND ADJUDGED THAT:

1. The judgment previously entered in this action on October 27, 2005, including the permanent injunctions contained therein, is vacated;
2. The Oneida Nation's motion for summary judgment is granted in part and denied in part;
3. Madison County's cross-motion for summary judgment is granted in part and denied in part;
4. Based on the terms of the Oneida Nation's waiver of sovereign immunity to property tax foreclosure with respect to reacquired lands, which was submitted to the United States Supreme Court in connection with this action and which is irrevocable, and on the Oneida Nation's representation to the Second Circuit that it would not assert the Nonintercourse Act, 25 U.S.C. § 177, as a bar to foreclosure with respect to such lands, the Oneida Nation's claims with respect to tribal sovereign immunity and the Nonintercourse Act are dismissed with prejudice;
5. The Oneida Nation's claims challenging the timing of Madison County's redemption notices on due process grounds are dismissed with prejudice;

6. Because of the availability of a state court forum for resolution of the Oneida Nation's claims that it is entitled under New York law to exemptions from state and local property taxes, and also on the pendency of state court litigation, the Court declines to exercise supplemental jurisdiction over those claims and dismisses them without prejudice to their being brought in state court or adjudicated in existing state court proceedings;
7. It is declared that the Oneida Nation is not liable by or through any assessment, collection, foreclosure, tax sale, elimination of redemption rights or transfer of title or property that is based in whole or in part on the Oneida Nation's non-payment of penalties or interest imposed because of the Nation's non-payment of real property taxes prior to March 29, 2005 or because of the non-payment of penalties and interest based on tax non-payment prior to March 29, 2005; and that any of the foregoing tax collection or enforcement steps that were based in whole or in part on non-payment of such penalties and interest prior to March 29, 2005 were void;
8. Madison County's motion for abstention is denied; Madison County's motion for leave to file a Rule 19 motion to dismiss is denied; and Madison County's declaratory counterclaims are dismissed with prejudice; and
9. It is declared that the Oneida Nation's reservation was not disestablished.

All in accordance with the Order of the Honorable David N. Hurd, United States District Judge, dated October 27, 2005, and the direction of the United States Court of Appeals for the Second Circuit in its decision on appeal on October 20, 2011, 665 F.3d 408 (2011).

ONEIDA COUNTY-ONEIDA NATION SPECIAL DEPUTIZATION AGREEMENT

WHEREAS the County of Oneida, New York ("the County") and the Oneida Nation of New York ("the Nation") are interested in assuring public safety through law enforcement that serves the needs of their respective County residents and Nation members;

WHEREAS the Nation has or may come into possession of land that is held by the Nation through fee ownership, some of which the Secretary of the Interior has agreed or may in the future agree to hold in trust in the name of the United States for the benefit of the Nation pursuant to federal law;

WHEREAS the Nation's land includes the land upon which the Turning Stone Resort & Casino is built, a facility used by tens of thousands of County residents and visitors to the County and at which thousands of Central New York residents are employed;

WHEREAS the Nation by Ordinance has established a Police force comprised of well-trained, highly-qualified personnel;

WHEREAS the Nation Police Department for years has had a productive history of cooperative law enforcement with the Oneida County Sheriff's Office; and

WHEREAS it is in the public interest for the Nation Police to enforce the laws of New York in appropriate circumstances, and thereby to protect and assure public safety;

NOW, THEREFORE, Oneida County, through the Oneida County Sherriff's Office and the Oneida Nation Police Department agree as follows in order to bolster public safety, eliminate any uncertainty about the authority of the Nation Police Department and increase the availability of trained police officers at no expense to the taxpayers:

1. For the purpose of special deputization under this agreement, the "geographic area of employment," as that term is used in the New York Criminal Procedure Law (hereinafter "CPL"), of the Nation Police shall be land that is possessed by the Nation as a result of fee ownership and land held in trust for the Nation by the United States. This area includes but is not limited to Turning Stone Resort & Casino.

2. The Oneida County Sheriff will provide a letter specially deputizing qualified officers of the Nation Police upon a request in writing from the Nation's Chief of Police. Said special deputization shall be limited to the "geographic area of employment" of the Nation Police, as defined hereinabove. A qualified officer is an officer currently certified by the New York State Division of Criminal Justice Services ("DCJS") as a police officer. For the purposes of this Agreement, a specially deputized officer shall be a police officer as that term is defined in CPL § 1.20(34)(b).

3. Nation Police officers acting pursuant to their deputization under this agreement shall act within the requirements of CPL § 140.10 when making arrests for violations of the laws of the State of New York.

4. Upon making an arrest, a specially deputized Nation Police Officer shall follow the procedures specified in CPL §§ 120.90 and 140.20 or shall deliver the arrested person promptly to an appropriate County law enforcement officer. Nation

Police involved in any arrest shall promptly provide all relevant information required for booking, charging, or trial and shall appear as witnesses at trial if called.

5. Nation Policed officers acting pursuant to their deputization under this agreement shall act within the requirements of Article 35 of the New York Penal Law when using physical force.

6. Any deputization made pursuant to this agreement shall expire upon the termination of any officer's employment by the Nation Police. The Nation shall inform the Oneida County Sheriff in writing of the termination of an officer's employment by the Nation Police as soon as reasonably possible.

7. The Oneida County Sheriff may terminate the deputization of one or more officer of the Nation Police for good cause, including failure to maintain their certification by DCJS as a police officer, incompetence or misconduct of the officer. The Oneida County Sheriff shall inform the Nation in writing of the termination of the deputization of an officer as soon as reasonably possible.

8. The Sheriff shall designate a liaison from the Sheriff's Office to coordinate with the chief law enforcement officer of the Nation Police, to ensure appropriate procedural protocols are implemented within the Nation Police Department's operations that are conducive to the Sheriff supporting and preserving deputization of the Nation Police.

9. Specially deputized Nation Police Officers shall not hold themselves out as, or claim to be employees of the County of Oneida or the Oneida County Sheriff. Nothing in this agreement shall operate or be construed to make either the County of Oneida or the Oneida County Sheriff responsible for providing or bearing

the expense of providing any employment benefit, right, privilege or entitlement to specially deputized Nation Police Officers, including but not limited to worker's compensation, line of duty injury benefits and personal liability protection, unemployment insurance benefits, Social Security coverage or retirement membership credit.

10. Nothing contained in this agreement shall operate to exclude any federal, state, local or Nation law enforcement agency from exercising its lawful and proper jurisdiction at any place or time. Both the Oneida County Sheriff and the Oneida Nation Police shall be free to request assistance from or provide assistance to any other federal, state or local law enforcement agency at any place or time.

11. The Nation agrees to defend, indemnify and hold harmless Oneida County and the Oneida County Sheriff in the event and to the extent that any claim, action or lawsuit is brought against either of them, or any of their officers, deputies, agents, servants or employees, if such claim, action or lawsuit arises out of the act or omission of any member of the Nation Police specially deputized hereunder, but there shall be no such defense or indemnity to the extent that any such claim, action or lawsuit arises out of the negligent, intentional or otherwise wrongful or actionable act or omission of the County of Oneida, the Oneida County Sheriff, or any of their officers, deputies, agents, servants or employees.

12. The Nation agrees to waive its sovereign immunity, but only as explicitly described and limited herein, as to any arbitration by the County or the Oneida County Sheriff in his official capacity to specifically enforce this agreement or their rights to defense or indemnity under this agreement, and as to any monetary claim but

only to the extent of the insurance coverage required under this agreement, beyond which there is no waiver of sovereign immunity. The Nation further waives its immunity to an action in the United States District Court for the Northern District of New York to enforce any arbitration award made under the arbitration provisions in this agreement. The Nation expressly does not waive sovereign immunity as against any dispute other than a dispute arising under this agreement or as against any other persons or entities other than the County of Oneida and the Oneida County Sheriff. As to all other persons or entities and all other claims, the Nation expressly reserves its sovereign immunity.

13. The Nation agrees to provide the Oneida County Attorney with proof of liability insurance coverage, satisfactory to the Oneida County Attorney, wherein Oneida County and the Oneida County Sheriff are named as additional insureds for the purpose of protecting the insureds against liability on claims, actions and lawsuits for personal injuries or death, property damage and civil rights deprivations arising out of the acts or omissions of Nation Police Officer, and to provide that such coverage shall not be terminated without prior written notice to the County of Oneida and the Oneida County Sheriff of at least fifteen (15) days prior to said termination.

Specific Insurance minimum requirements shall consist of the following:

Commercial General Liability:	\$1,000,000.00
Commercial Automobile Liability:	\$1,000,000.00
Law Enforcement Liability:	\$1,000,000.00
Excess/Umbrella Liability:	\$10,000,000.00

All policies shall be written on an occurrence basis, shall include a waiver of subrogation and shall be subject to no deductible, self-insured retention or other form of

risk retention. If any policy is subject to a deductible or self-insured retention, the Nation shall be responsible for payment of any self-insured retention or deductible on any claim made with respect to those policies.

14. With the exception stated in the last sentence of this paragraph, all disputes related to the subject matter of this Agreement shall be subject to mandatory arbitration by a panel of three arbitrators who shall follow the Commercial Arbitration Rules of the American Arbitration Association. The Nation shall select one arbitrator; Oneida County/the Oneida County Sherriff shall select another arbitrator; and the two arbitrators shall select the third arbitrator by agreement. Pursuant to the settlement agreement and stipulation and order of dismissal in *State of New York v. Salazar*, No. 6:08-cv-644 (LEK), the United States District Court of the Northern District of New York ("the District Court") shall have sole jurisdiction to compel arbitration and to enforce arbitration awards relating to this agreement or to its subject matter. Prior to commencing an arbitration proceeding, the parties agree to attempt to resolve the dispute through mediation, pursuant to the mediation procedure and timelines set forth in the above-referenced settlement agreement. This Agreement may be terminated only by the mutual agreement of the parties, expressed in a writing signed by the parties. However, the defense and indemnification obligations relating to acts or omissions prior to termination of the agreement shall survive such termination.

15. Nothing in this agreement creates any third-party beneficiaries or third-party rights.

16. This agreement may be executed in counterparts.

17. This is a fully integrated agreement containing all the parties' agreements. It may not be modified except in a writing signed by the party to be charged.
