SENATOR JOHN LIU: ADAMS MUST RESIGN

New York, NY - State Senator John Liu stated the following about reports that NYC Mayor Eric Adams was indicted.

Eric Adams is innocent until proven guilty; he is entitled to his due process, but it will take all of his might to defend himself against these federal charges. The people of New York City, however, need a mayor who is able to devote full time and full energy to putting the city on the right track, including recruitment and retention of top leadership for the City. Mayor Adams is simply unable to do that for the foreseeable future and therefore, for the good of all New Yorkers, must resign immediately.
