Our District Is *Beautiful.* *Let's Keep It That Way.*

As an avid outdoorswoman and active grandmother, Senator Helming wants clean air, clean water and open spaces in our Senate District for generations to come. **That's why she voted for these important bills to support our lakes, parks and environment...**

- Establishes a coordinated statewide harmful algal blooms monitoring and prevention program and grant program.¹
- Creates a program to ensure water quality of bodies of water managed by lake associations.²
- Removes lead pipes to protect our drinking water.³
- Directs the Commissioner of Parks, Recreation, and Historic Preservation to establish the state parks passport program.⁴
- Allows veterans and Gold Star families entrance to New York places of recreation free of charge.⁵
- Creates a legislative task force on outdoor environmental education and recreation.⁶
