RIKERS DONATION DRIVE

Join Senator Brian A. Benjamin's Millennial Task Force as it launches a donation drive for the Youth Defenders Program at Rikers Island.

From **February 27 to March 30**, we are collecting items for the **Youth Defenders Program** for 16-18 year olds.

We will collect the following items:

- For males: Plain white t-shirts (short sleeve and not sleeveless), white boxers, and white socks.
- For females: Plain white sports bras (no wires), white briefs, and white socks.

Please donate items in original packaging. The need for mediums is greatest, but we will also accept smalls & larges.

Millennial political power is growing. Despite the recent uptake in young adult activism and community service, young adults are still alienated from local government and civic engagement. **State Senator Brian A. Benjamin** is empowering young professionals, activists, artists, students, and community leaders to close the gap.

The MILLENNIAL TASK FORCE: "Tackling our issues, Serving our neighbors, and Forcing change in our community."

If you have any questions, please reach out to Luther D. Isler, Young Adult Community Coordinator at 212.222.7315 or Isler@nysenate.gov
