Steven Banks
Commissioner
Human Resources Administration
4 World Trade Center
150 Greenwich Street, 38th floor
New York, New York 10007

Dear Commissioner Banks:

I am writing to request clarification on the rules and regulations surrounding eligibility for the Human Resource Administration's (HRA) Home Energy Assistance Program (HEAP). Several of my constituents have expressed concern that they are ineligible for HEAP because their apartments are heated electrically rather than with gas.

Given that my constituents mainly live in apartments, some of which are gas heated and some of which are electrically heated, it is important to clarify HEAP eligibility requirements to address their concerns.

I appreciate your time and consideration. Should you have any questions or follow up, please contact me at 212-633-8052.

Sincerely,

A handwritten signature in cursive script that reads "Brad Hoylman".
