Poam: trash is gone

Roses are Red,
 Violet's are blue,
 We need EARTH
 to create something new
 we want a new life,
 We want a new year,
 but all of that
 comes with a price
 Its just one thing,
 Its not that hard
 Just pick up trash
 and you will be the one
 the one who cares,
 the one who loves,
 the one who protects
 Just one thing for
 everyone
 and then you'll be
 Done

Have fun!!
 Have fun!!
