

## How to keep the earth clean

You should keep the earth clean! But why? You need to keep it clean because animals can get hurt, this is why it's important. It's not nice littering if you do that the world won't be healthy! It is important to clean your neighborhood every day! Maybe even better when you do more! and a great job for the earth is a garbage man! Being a garbage man is really respectful to the earth, not just garbage men you can still be a big part of your community and clean your neighborhood too! There's many ways how to keep the earth clean. It's respectful, nice, and kind to the earth! Also recycling is very good!
