Tonawanda, NY 14150

& CHILD SAFETY EVENT

SATURDAY, APRIL 27TH • 11 AM-2 PM

Kenmore Middle School • 155 Delaware Road, Kenmore

As a new parent, I know, parenthood can be overwhelming for anyone, but it can be especially difficult for expectant parents who already struggle to make ends meet. United Way of Buffalo & Erie County created the Community Baby Shower to connect new and expectant parents with vital supplies they need to ensure their child gets a strong start in life. **Please stop by and donate a baby shower gift for an expectant mother in need.** Items most needed include diapers, wipes, sleep sacks, digital thermometers and baby books. For more information visit www.uwbec.org/babyshower.

Also, stop by for a **FREE child car seat safety check** and/or **child IDs** with the Kenmore Police Department as well as talk **fire safety** with the Kenmore Fire Department.

in partnership with
Kenmore Police Department, Kenmore Fire
Department & Kenmore Teacher Association
