

# Senator Pam Helming

Representing the 54th New York Senate District

IMMEDIATE RELEASE: February 12, 2021  
FOR MORE INFORMATION: 315-568-9816

## **Statement from Senator Helming**

“We need a full investigation. We need to end the Governor’s emergency powers. And we need to remember that these 15,000 seniors are not data points. They are people, and I will continue to fight for the answers and accountability their families deserve. I will also continue to fight to reunite our nursing home residents with their families. My constituents want to know when they can see their parents and grandparents. We need that answer too.”
