

SKILLED TRADES FAIR

Hosted by
Wappingers CSD
& Senator Sue Serino

THURSDAY
APRIL 28, 2022
6:00 P.M. - 8:00 P.M.

Dear Friend:

Thank you for joining us for the very first Skilled Trades Fair hosted by Wappingers Central School District and me.

I didn't take the 'traditional' path when it came to establishing my own career, and that is why I am so passionate about ensuring our young people know that there is not a 'one-size-fits-all' approach to planning your future. Our skilled trades workforce is the backbone of our community, and as we rebuild in the wake of the COVID-19 pandemic, these jobs will play a key role in New York's success.

It is our hope that through this event, we can raise awareness for the many opportunities available in the skilled trades here in the Hudson Valley and that those in attendance today are inspired to consider a career in one of these critical industries.

I thank the Wappingers Central School District, Principal David Seipp, and Roy C. Ketcham's dedicated team of School Counselors for their help and support in organizing this event, as well as the Wappingers Parent Teacher Association for helping to support this important program. Together, we want to help our neighbors 'Plan for a Future that Works!'

Sincerely,

A handwritten signature in black ink that reads "Sue Serino". The signature is written in a cursive style with a small dot above the letter 'i' in "Serino".

Sue Serino
New York State Senator
41st District
