

everyday earth day...

# Reuse for the earth

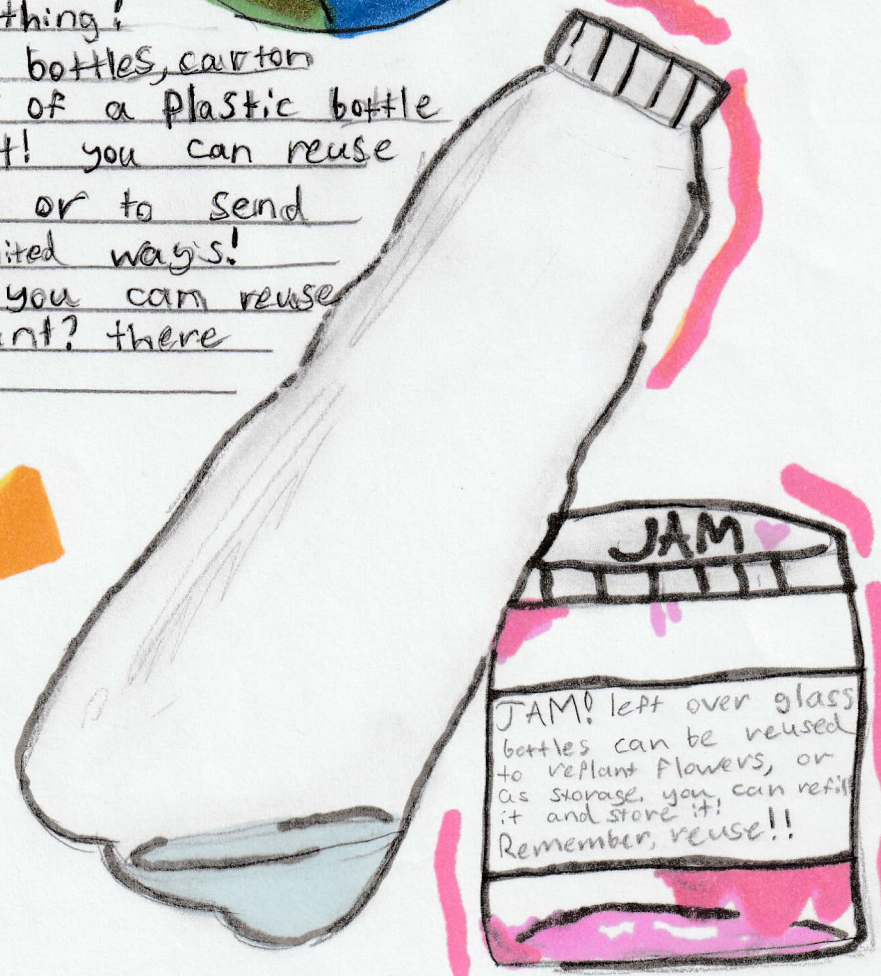

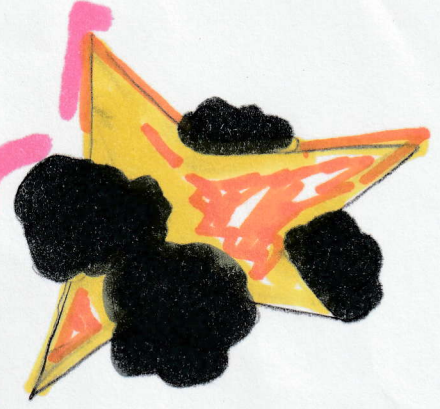

## Why?

the earth has been getting polluted for a long time now, but you can help it. even if 1 person starts doing small things it can help earth breathe. start doing small things to help the earth!

## How??

You can start reusing right now! its easy and helps earth!!!!  
You can reuse practically anything!  
Jam, glass bottles, plastic bottles, carton boxes. you can cut half of a plastic bottle and plant something in it! you can reuse carton boxes for gifts, or to send something. there are unlimited ways!  
with a little creativity you can reuse anything! but if you cant? there are always recycling.

Reuse  
Reduce  
Start  
Helping

JAM! left over glass bottles can be reused to replant flowers, or as storage. you can refill it and store it! Remember, reuse!!
