

# Everyday is Earth Day

Save the Planet

recycle  
Plastic

The 5 R's  
of Zero  
waste

Plastic is harmful  
because it litters the  
landscape, harms animals  
and Plastic Pollutes Soil.

REFUSE	Say no to plastic
REDUCE	buy less Plastic
REUSE	use reusable bags to use less Plastic bags
RECYCLE	Throw away Plastic in the recycle bin
ROT	Food Scraps, soiled paper, paper towels go in your organics bin

Recycling Saves  
energy because it  
reduces the need  
to extract and  
refine natural  
resources.

Stop  
Plastic  
Pollution
