

What are you Thankful for?

I am thankful for my family because they give me every thing I need like food, water and many other things. My family makes sure I have a safe house every night. My family also takes me to all of my sports and sacrifice so much for me to be on multiple teams. Without my family I would not be myself.

I am thankful for my friends because they always help and support me. They are great teammates in all of my sports and push me to be a better teammate as well. My friends always make me laugh and make sure I am always happy. I am super thankful to be able to have a great group of friends.

I am thankful for Our Lady of Good Counsel. This is my first year in Catholic school. Although I have had many challenges so far I am thankful for all the support from my teachers, Father Jerome, and Mrs Hynes. They have all been patient with me while I adjusted to this new school and have made this my best school year so far.

There are many other things in my life I am thankful for but these are my top three.
