

## *What Are You Thankful For?*

*To be thankful means to be grateful for what you have. You should be thankful because there are some people who don't have basic needs. I am thankful for many things in my life.*

*One thing I am thankful for is my family because they do so much for me like feed me, take me to games and so much more. They also help me when I need them the most like after a bad game or when I get hurt. I'm also thankful for being adopted by such a great family and how much they love me.*

*Another thing I'm thankful for is the country I live in because there are a lot of other countries that aren't as fortunate as the United States. I'm also thankful for all of the freedoms that I have in the United States. I can grow up to be whatever I want.*

*I'm also thankful for my Catholic education because it has led me to learn a lot about my faith and has led me to go to mass more often. I also am thankful that my parents have brought me up in the Catholic faith.*

*All in all I have a lot to be thankful for in life. Hopefully one day I can help others who aren't as fortunate as me. And maybe one day they can be as thankful as I am.*
