What are you Thankful For?

When you are thankful it means to have appreciation for the things you have. Appreciation means to be grateful. You can be thankful for anything you want.

I am thankful for my family because they love me and I love them. They take care of me when I am sick. Without them I would have nothing.

I am thankful for my house because it gives me shelter. Some people do not have a house. So they have no shelter to live in and to keep them safe.

I am thankful for God because he made me. God is what made our world and all that fills it. Without him we would not have each other.

You can be thankful for anything, for example a friend, your family or a house. I am thankful for all of these things, what are you thankful for?
