

What I'm thankful for in a poem

By: Danny Gioia

Grade: 6

Roses are red Violets are blue I am thankful
For many things and you should be too.
Some of the things I am thankful for are
My wonderful school that teaches all the more.
My wonderful family that I have is never a bore.
The food on my plate thankfully there is always
more.
But the house over my head is very swell too.
The clothes that keep me warm are great
when it is cold .
The water that I have is better than good. It is
great.
All of the activities that I do are very swell
too.

I am thankful for my mother who taught me to read. I am thankful for my father who taught me how to succeed.

I am thankful for my friends who laugh and play with me. I am thankful for my teachers who teach so easily.

I am thankful for the parents that gave me this life.
