By: Colin Schaming

I Am thankful for my family including my sisters, my mom, my dad, and my dogs. I am also thankful for my house and all of my appliances. Also I am thankful for the food I eat.

I am thankful for my family because of all the things they do for me such as feed me and help me with everything I do. Also I am thankful for my family because they love me and pay for everything I do and pay for the things I want and need. I am also thankful for my family because of my pets including my 2 dogs Charlotte and Rosie and also my pet lizard Smiley. This is why I am thankful for my family.
