

I am thankful for toys because they are fun.

I am thankful for my school where I see everyone.

I am thankful for my sister who makes me smile.

I am thankful for family even though we fight once and a while.

I am thankful for my gym teacher because she lets us run around.

I am thankful for my art teacher because he never has a frown.

I am thankful for books because I love to read.

I am thankful for clothes because they make me feel fancy.
