

My name is Antonio Pugliese. I go to the Henry Viscardi School in Albertson. I am thankful for the staff at my school. The teachers all help me learn. They take care of me. Mrs. Rosenblatt is one of my favorites' because she makes learning fun. She is my English teacher.

I am also thankful for my family. I am especially thankful for my two baby cousins. Their names are Lilly and Noah. The babies make me happy because they are silly, funny and crazy. They make me laugh.
