

Thankful for

By: Christopher Lee

I am thankful for clean water
So I can drink.

I am thankful for my brother
Although he can be annoying.

I am thankful for the roof over my head
To be safe.

I am thankful for food on the table
To make me full.

I am thankful to be healthy
To keep my body clean.

I am thankful for my friends
For keeping me company.

I am thankful for my ipad
To entertain me when I am bored .

I am thankful for my heart
to keep me alive.
