

ALIVE AND LIVING

By: Sadie Kotler

I'm thankful that I'm waking
I'm thankful that I'm dressing
I'm thankful for my running legs
I'm thankful for my sweaty hands
I'm thankful for my awesome brain
I'm thankful I've got something to say
I'm thankful for my beating heart
I'm thankful for my friends
I'm thankful for my life
And something I've always wanted to say
I'm thankful I'm **ALIVE**
