

I Am Thankful For ..

By: Sofia Phelan

*I am thankful for my brother
Even though sometimes we fight*

*I am thankful for Christmas
Although it takes a while to decorate*

*I am thankful for the roof on top of me
Even though we get leaks!*

*I am thankful for money
Although it's HARD to get*

*I am thank for food
Especially cheese burgers.*

*I am thankful for my family
Because it's my family*

Everything's amazing and so are you!
