

I am thankful for my family and friends who give me so much,

I am thankful for the decorations that I gave a little touch.

I am thankful for the special food that is made so good,

I am thankful for the pumpkins that are made out of wood.

I am thankful for my toys that I wish could come alive,

I am thankful for the bees that live in a hive.

I am thankful for my cousins who bring me joy,

I am thankful for Thanksgiving that comes and goes for girls and boys.

I am thankful for flowers that are outside and grows,

I am thankful for the money everybody owes.
