

I am thankful for my family that treats me like love  
I am thankful for my family friends that always put a smile on my face  
I am thankful for my teacher that always makes my day better  
I am thankful for my avocados and how cute they are  
I am thankful for my precious food  
I am thankful for my principal for giving us joy  
I am thankful for what god gives us  
I am thankful for nature  
I am thankful for my dog giving me a sloppy lick on the cheek  
I am thankful for my comfortable bed

Thank you for the food my mom gives me and my family  
Happy for playing soccer  
Always grateful every single day  
No single person makes me unhappy  
Kindness is always what I love  
Funny times with my friends always makes me happy  
Unless I am snuggled with my dog and cuddling with her that makes me so happy  
Love is always in my house
