

Thankful

By: Aanvi Harjpal

I'm thankful for...

Food

So I am healthy

I'm thankful for...

Fresh water

So I drink when I'm thirsty

I'm thankful for...

Clothes

So I am snug

I'm thankful for...

My family

So I am not alone

I'm thankful for...

My friends

So I can play

I'm thankful for...

Shelter

So I can stay warm

I'm thankful for...

My bed and blanket

So I can sleep tight

I'm thankful for...

Education

So when I grow up I will have a

Good life

I'm thankful for...

Love

So I am not sad

I'm thankful for...

Teachers

So I am educated well

I'm thankful for...

Holidays

So I can spend time with my
family

I'm thankful for...

Air

So I can breathe

I'm thankful for...

Electricity

So I have light to see in

I am thankful for all of these
but I am also especially
thankful for doing this poem so
I can express my feelings!!!

Reminder: always be grateful
for what you have!!!
