More

I am thankful for my sister,
although she always screams 

I am thankful for my ipad,
So I could watch some memes. 

I am thankful for my dog,
Although he can bite. 

I am thankful for the stars,
that shine very very bright! 

I am thankful for Video games,
Especially Brawl stars. 

I am thankful for recess,
where I can climb onto the bars. 

I am thankful for the floor
and many many more!
