

I'm Thankful For...

By; Juliette

I'm thankful for:

*.....The food that my mom makes,
Even though sometimes it doesn't taste the best,
.....my friends,
Even though sometimes we fight,
.....my brother,
Even though he can be really annoying,
.....my dogs,
Even though they bark a lot,
.....the vacations my parents take me on,
Even though sometimes I get lost,
.....school.
Even though sometimes it's hard,
.....my parents,
Even though they yell a lot,
.....the home I have,
Even though sometimes my dogs pee in it,
.....my room,
Even though sometimes it gets messy,
.....the sports I do,
Even though I have to do extra chores to do them,
.....the clothes i have,
Even though I can outgrow them.
And most importantly I'm thankful for the military and the doctors that
save many lives every day.*
