

I am Thankful For

By: Maira Maheshwari

*I am thankful for all the places that I get to go 'cause
who doesn't like a trip.*

*I am thankful for my family 'cause
They've got your back.*

*I am thankful for all the devices 'cause
I get to do work on them and play games.*

*I am thankful for my clothes 'cause
They keep me warm.*

*I am thankful for sports 'cause
They keep me fit.*

*I am thankful for food 'cause
It helps me not starve.*

*I am thankful for my house 'cause
That's what I sleep in.*

*I am thankful for all the games I get to play 'cause
That's what keeps me entertained.*

*I am thankful for everything 'cause
Life gives you many things and we should realize those things.*
