

I'm So Thankful!

Name Joshua

Thanksgiving reminds me of all the people and things I am thankful for. I appreciate family, friends and money.

I am especially thankful for family because they take care of me. They help me with my homework. My mom cooks food very well. They buy me shoes. My kranpa lets me watch TV and play games. We always go on vacation, which I love to do.

I also appreciate friends because they help me. I play soccer and I go to their house. And we went on a class playdate.

Finally, I am grateful for money because it's very important. If you won't have money you could be poor. As I enjoy this holiday season, I realize

that I have many reasons
to be thankful, family, friends
and money are just a few of
the blessings in my life.
