Thanksgiving reminds me of
all of the people and things
I'm thankful for. I appreciate my
mom, friends and Education.

I'm especially thankful for my mom
because she's always there for me. Also
she makes me feel happy when I'm sad.
Another reason is she loves me more
than anyone in the world and when
I wake up there's always a smile
on her face. No matter what she's always
nice and kind. Nobody can be as brave
as my mom.

I also appreciate my friends because
they care about me especially Esti
my bestie. The best thing about
friendship is laughter and I have
lots of that. Another reason is they
cheer me up when I'm sad. All of
my friends help me when I'm struggling.

Another best thing about friendship is standing up for each other.

Finally im grateful for Education because it makes me smarter. Another reason is you can have a better job when you are older.

As I enjoy this holiday season, I realize that I have many reasons to be thankful. my mom, friends and Education are just a few of the blessings in my life!
