

# I'm So Thankful!

Name Benji Saks

Date 11-28-24

Thanksgiving reminds me of all the people and things that I have in my life and that I'm thankful for. I appreciate family, friends and food and water.

I'm especially thankful for family because they care for me. I'm thankful for family because they help me with homework. My family helps me when I get hurt. Also my family helps me when I am sick. Finally my family is nice to me.

I also appreciate friends because they help me when I need it. Also, my friends are cool and they are nice to me. My friends teach me how to play games. Finally, my friends are funny and they make me laugh a lot.

Finally I'm grateful for food and water because food and water keeps me healthy. I'm thankful for food and water because it tastes good. In addition, food and water makes me energetic because some foods have sugar in it and sugar makes me energetic.

As I enjoy this holiday season, I realize that I have many reasons to be thankful. Family, food and water and friends are just a few blessings in my life.
