

I'm So Thankful!

Thanksgiving reminds me of all the things I'm thankful for. I appreciate family, friends, and health.

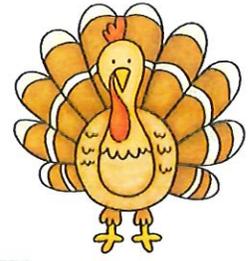

I am especially thankful for my family because they help me with my homework. They also cheer me up when I am sad. They take care of me by buying me food and things I need.

I also appreciate my friends because they hug me when I am sad. They help me if I need need advice, and they play with me. They are also kind to me, and show me new things.

Finally I'm grateful for being healthy. I think if you eat

Healthy you won't get sick.
I also think if you exercise
you will stay healthy.

As I enjoy this holiday
season, I realize that I have
many reasons to be thankful.
Friends, family, and health are just
a few of the blessings in my
life!
