

I Am Thankful For Art

I'm thankful for art

Anything you can find can be art

A painting of a heart. Paintings can be a blot of a spot, or a summer day that's hot.

Art can tell a story. A drawing can be a story that tells 5 paragraphs.

With Art you can express your emotions to make a 3 part art chart.

And that's why I'm thankful for the part of beautiful art.
