

What I'm Thankful For

By Audrianna Parisi

Soccer is one thing that I'm thankful for.

I wish I could play soccer even more!

I love to play with my soccer ball.

I like playing soccer in the fall.

Soccer is for everyone.

Soccer is lots of fun.

I play soccer in the cold.

I'm going to play soccer until I'm very old.

Soccer is one thing that I'm thankful for.

I wish I could play soccer even more!
