

MY THAKSGIVING ESSAY

Clara Winterstein Age 8

A few things I am thankful for are... 1. My mom because she is the one who feeds me and takes care of me. 2. My dad because my dad took us cross country and when I was sick, he took me to the store for me to pick something out and he got me a lollypop and he also took me to the classic car museum in Norwich and then we went home to watch a movie. 3. My grandpa Bob who loved me very much and he also took us to this very cool candy store. 4. My uncle Bob because sometimes we have thanksgiving with him, and it is very fun. 5. My grandma because she is not that old and she works in our garden because she lives next to us in a big house but she doesn't live right next to us you have to walk over this bridge and walk in the grass for a little then you're at my grandma's house and my grandma helps me out because when I ripped my stuffed animal she fixed it. 6. My grandpa who also lives right next to me because for my birthday he got me a kayak and a bike. 7. My sister Cora because she cleans our room and feeds our bunny. 8. My brother because he roller skates with me and lets me sleep in his bunk bed. 9. My Nony because I love her so much and she loves me so much. I love being me!
