

I am Thankful For...

By: Leanna Mallatt

During this time of year I am thankful for alot! My sisters,dad and my best friend are just a few. They have always been here for me so I am thankful to have a such great family and best friend.My sisters have been here for my ups and downs! Even if they make me feel down and they are always by my side. I am thankful for them. I know they love me lots and lots! We do and say crazy things.My dad knows how to cheer me up. He is always by my side even if my sisters are not here. He is smart, he will figure out what's wrong. He knows I love him and I know he loves me!My best friend is always there. She is so funny. I love her and I'm so glad she's my best friend. I don't know what I would do without her. I am thankful for my best friend,sisters and my dad! I am so glad to have them in my life.
