

I Am Thankful For

By Serenity Randis

During this time of the year there are so many things that I'm thankful for. However, when thinking about my life there are three main things that stand out, my family, my pets, and my friends. Each one of those things add something special to my life .

My family makes my day every day. That's why I'm thankful for them. They make me feel like I'm the only one in the world. They also love me very much because I wouldn't have my phone or all the stuff I have today. They always believe in me when I'm playing softball.

The next thing I'm thankful for are my pets. When I'm sad they cheer me up. I can take them for a walk for exercise.

I am thankful for my friends. They help me feel better when I am sad. They are trustworthy and that is being a good friend. I can trust them with secrets.

There are many things to be thankful for. I'm thankful for my family, friends and pets are the most important thing to me.

Thank you for what you do to the state Lea Webb.
