

Thankful Poem

By: Mila Wood

During this time of year there are many things to be thankful for. However there are three main things that I'm thankful for. My sisters Aurora and Lavayda, my friends and my cats.

One reason why I'm thankful for my sisters is because they always cheer me up when I am sad. I'm thankful for my sister Aurora because she helps me. My sister Lavayda helped me overcome my biggest fears of heights. That I am very thankful for.

One reason that I'm thankful for my friends is because they always make my day so much better. Another reason I'm thankful for my friends is because they help me if I don't understand something. One last reason that I'm thankful for my friends is because they always make sure that I never feel like I'm alone if something is going on.

The last thing that I'm thankful for are my cats. One reason I'm thankful for my cats is because they give me a reason to wake up every morning. Another reason I'm thankful for cats is because they're always so cute and fluffy and that just makes me so happy. One last reason I'm thankful for cats is because they always run to me when I walk through the door, making me feel welcome home every day.

There are many things to be thankful for in this world like sisters, friends and cats. My sisters are what I'm most thankful for and they will always be what I'm most thankful for.
