There are so many things to be thankful for but there are three main things that I am thankful for. They are my mom and dad, my sister, Payton, and my dog Dirk.

I am thankful for my mom and dad because my mom is always pushing me to be a better person. My dad is always so kind and willing to take me to my friends house and pick me up. Also my parents work so hard to put a roof over my family's head.

I am also thankful for my sister because when I am sad she will cheer me up. She will play with me when I am bored. Also she is just such a kind person.

I am also thankful for my dog. He is so cute and comforts me when I am sad. He is always there for me when I need him and when I get home from school he is always so happy to see me.

There are so many things to be thankful for but these are just some of the things I am most thankful for!
