

I Am Thankful

By Fenton Aukema

During this time of year there are many things to be thankful for. Here are some things I am thankful for, my dogs, deer hunting, and my family.

I am thankful for deer hunting. I can put lots of meat in the freezer. I can also get a deer head to remember the deer. I can have so much fun deer hunting and show your family the deer.

Here are some ways I am thankful for my dogs. My dog mapple she sleeps with me and i play with her. Katey she is kind to other dogs and people. They are so much fun to play with I wish I could take them to school.

Some ways I am thankful for my family. My mom, she is so loving and caring. My dad helps me with my homework and chores. My brother and sister are great. We fight at times, then we work together to do something.

All of these things I am thankful for and I do not think I could be myself without them. I do not think I could be me without them.
