### What I Am Thankful For This Year

I am thankful for my family and friends, my teachers, my soccer team, God, freedom, technology, my health, my pets, and nature. This year I am thankful for my family and friends because they always help me out. I'm also thankful for my teachers because they help me learn and thrive. My soccer team is important for making me a better player and person. I thank God for making me who I am. I am grateful for the soldiers who fought for our freedom. I am happy to have technology to entertain me. Another thing I am thankful for is my health for letting me see and talk to my loved ones. I am grateful to nature for giving me most of what I have today. I love my pets because they always make me calm when I am mad. These are all the reasons why I am thankful this year.
