What I am thankful for this year!

This is what I am thankful for!

I am thankful for all of my sports. I am thankful for that because one day I can be successful with those sports. I appreciate all my teachers that want to teach me. I appreciate that because they give me a good education. I thank God for life. I thank God for that because I wanna live this beautiful life that I have. I am lucky that I have a loving family that cares for me. I am lucky because sometimes people don't have that. I am happy that I have a beautiful room. I am grateful for that because my mom and dad spent a lot of time on that. I am thankful for my clothes that I can wear. I am thankful for that because they are clean and pretty! I am grateful that I have a home that I can stay safe in. I am grateful for that because I am protected. I thank God for trees and school. I am lucky for both things because we need both of those things. I am lucky I have friends. I am lucky because I have someone to talk to. I am happy I have a car that I can get to school or anywhere I need to go! Those are some of the things I am grateful for!
