

Thankful Response

By Olliver Crosier

I have taken some time to think about the things in my life that I am grateful to have this 2024 Thanksgiving season. First of all, I am thankful for all my devices. I love to play games and contact other people when I need to. Some devices I have are: a pc, a tablet, a phone etc... Next I'm appreciative for money. My family has plenty of money so we have food and good insurance and health. Finally, I'm grateful for my pets. I love my 2 dogs and my cat. They bring lots of joy to our home. In conclusion, I'm spoiled and I'm thankful for all of life.
