

Thankful

I am thankful for many things. The main thing I am thankful for is my family. I am thankful for my family because of what they do for me.

I am thankful because my family helps me with my problems. They help me with my problems by talking about them with me. They help with not yelling but talking in a calm voice.

I am thankful for my family because they play with me. They play card games and board games. They teach me how to play certain games. They help me with toff or hard games by doing them with me or explaining them to me.

I am thankful for my family for many more reasons too.
