My Thankful Letter

By: Layla Keslowitz

In 1620 the Wampanoag had a big feast to celebrate their first harvest. Now we have Thanksgiving with our family and friends. My tradition for Thanksgiving is all my family comes to my house.

We watch the Thanksgiving Parade. Then we eat yummy food like chicken, turkey, brocoli, butternut squash muffins, apple pie, blue berry pie, cookies brownies and cake. Thanksgiving is special to me because I'm with my family. I am thankful for my family, room, dance.

I am thankful for my family. They buy my stuff that I need. Another reason is when I'm sick they let me watch tv and have yummy food. My mom is a nurse so she knows how to take care of me extra special with her love. I love my dad because we go to kosher restaurants. Another reason is we do our books together because my dad is an author. I am doing a book with him about my favorite movies. I love my sister because we play games together, I also help her with homework.

I am thankful for dance. I love to dance to fun music. The music I dance to is wenny Hustine and whats my name from Descendants. I feel so grateful because other families cant pay for dance, finally I get my hair and makeup done for the recital and I get my hair and makeup done for the recital and I get to dance on stage.

I am thankful for my room. I have a cozy bed. Every night I sleep in it. I am also thankful for my desk because I write stuff like my diary. Finally my favorite part

of my room is my chair. I relax in my chair every day. It has dark pink pillows on it.

I am thankful for a lot of things like, my family. I'm thankful for my family because they care for me. Another thing I am grateful for is dance. I am thankful for dance because we have recitals. Finally my favorite part of Thanksgiving is all my family comes over.
