

What I'm Thankful For
By Dakota Currie
Cortland Jr. High School, Cortland NY

I am thankful for three things. One of these things is my cats. I'm thankful for them because they help me feel better when I'm down and in the blue. I'm thankful for having a roof over my head. I'm thankful for it because it makes me safe, so I'm not wet when it's rainy. I'm thankful for my mom and dad. They make sure I'm fed daily and have a loving family.
