

Thankful for My Mom

I am thankful for my mom because she is nice, and my mom is a great hard worker. She is good at taking care of her kiddos. At her work, she always does a great job. She is the most wonderful mom that I could ever have in my life. She helps me when there is drama. She also helps me know how to sew on a button. When I cry, she tells me it 's okay. I love her so much.
