

My Dad

I am thankful for my dad because he has always been there for me. He makes me laugh when I'm having a bad day, and I love hanging out with him because he is a lot of fun. My dad is my best friend, and he is the best dad ever. I love talking to him because he is a good listener. I love when my dad and I watch movies together because, if it's a funny movie, then we always laugh, and if it is a scary movie then, sometimes we get scared. I love hanging out with my dad because he is funny and kind. I love going places with him because when we get in the car and a song comes on we always sing it together. I love being with my dad because he is a good person. I love my dad because he is the best.

**BEST
DAD
EVER**
