

What I'm Thankful For

I am thankful for my dog. I am thankful for my dog because he is my best friend and we always play with each other. I chase him in our living room to grab a toy from him and he fakes me out all the time. Also I'm thankful for him because when I am sad he always finds a way to cheer me up. He cheers me up by licking me, giving me a toy, and sitting on my lap. Lastly, I am thankful for him because he sleeps with me. I will just lay down and he will come and jump on me when I'm sleeping and then find a way to squeeze in my bed with me. That is why I'm thankful for my dog Bauer.
