

My House
By Jeremy Xie

I am grateful for my house. I am grateful for my house because it protects me. I have lived in my house for more than half of my life. It protects me by covering me from weather, like rain and lightning. My house also gives me somewhere to sleep so I don't have to sleep outside where it's very cold. Lastly, my house is somewhere I can keep my stuff safe so I don't get robbed. This is why I am grateful for my house
